I ask the Court to request a *pro bono* attorney to represent me in this action. In support of my application, I declare under penalty of perjury that the following information is true and correct:

- ☐ I have not previously filed an IFP application in this case and now attach an original IFP application showing my financial status.
- ☐ I have previously filed an IFP application in this case, but my financial status has changed. I have attached a new IFP application showing my current financial status.

2. Explain why you need an attorney in this case. (Please note that requests for *pro bono* counsel are rarely granted at the early stages of a case and usually not before the Court has issued a decision on the merits of the case.) If you asked for an attorney earlier in this case, please also explain what has changed since you last asked for an attorney.

Because of the complexity of the legal issues involved with my opiate related claims and its imperative due to the nature of my injuries and my son and daughter's claims

2/28/2022 - There is no matter presently pending before this court. This case is now pending in the Court of appeals (filed 2/28/22)
USDJ

If you have limited access to the telephone, mail, or other communication methods, or if you otherwise have had difficulty contacting attorneys, please explain.)

I have seek legal help from attorneys, but financially I was unable to pay for the service of Brookes Law Office, LLC. and other attorneys, they were opiate related which I'll point out in my brief.

4. If you need an attorney who speaks a language other than English, state what language(s) you speak: _____.
5. I understand that if an attorney volunteers to represent me and that attorney learns that I can afford to pay for an attorney, the attorney may give this information to the Court.
6. I understand that even if the Court grants this application, I will receive *pro bono* counsel only if an attorney volunteers to take my case and that there is no guarantee that an attorney will volunteer to represent me.
7. I understand that if my answers on this application or in my IFP application are false, my case may be dismissed.
